SWITCH TOGETHER, SAVE TOGETHER

What could you do with an extra £235?

It only takes 2 minutes to join the Merseyside Collective Switch.

We aim to provide members with the cheapest energy tariff on the market.

By switching together, we can all get a better deal.

VIRIDIS HOME ENERGY SAVINGS

WIRRAL

You could save £235* a year!

The Merseyside Collective Switch aims to negotiate the cheapest energy tariff on the market, available exclusively to members.

It includes a full market comparison so you can find the tariff that's best for you, even if it's a cheaper tariff with your existing supplier.

Together, our members have saved over £1.2 million a year on their energy bills!

What will you do with the money you save?

How does it work?

It's as easy as 1, 2, 3...

1 Register by 16th October

Registering is quick and easy! Simply visit **www.LCRenergyswitch.co.uk** or call freephone **0800 043 0151**.

2 Let us do the hard work for you

We'll invite energy suppliers to offer a deal for the collective switch. We'll let you know what the offers are and what other tariffs are available, then it's up to you if you want to switch.

3 See how much you could save

You'll see how much you could save before you agree to switch. If you do decide to switch, we'll make sure it all goes smoothly. If you don't want to switch, you don't have to; there's no obligation.

*Average saving for those who switched through the Merseyside Collective Switch October 2016.
